### DESCRIPTION

At the heart of the world's favorite spirited beverages you will find Cinzano, with over 260 years of tradition and excellence. With classic appeal and versatile brands, Cinzano's legacy is sure to continue for generations to come. In 1757, CINZANO's two brothers, Giovanni Giacomo and Carolo Stefano Cinzano, Master Distillers, opened a small shop in Turin where a dream soon became a reality. As their traditional Vermouth production rapidly increased, so did their reputation for quality. The Savoy monarchs beckoned the brothers expertise to create a sparkling wine to emulate the popular French Champagne of the early 19th century. The result was the birth of Cinzano Sparkling Wines in 1850. The Cinzano range of sparkling wines includes both sweet and dry versions, each with their own unique characteristics.

### VINIFICATION

The sparkling wine is created with the Asti Method. Grapes are crushed and the juice is stored at a low temperature until it is needed.

### COLOR

Pale yellow with fast moving bubbles

### NOSE

A distinctive and intense nose of acacia flowers and candied peach

### PALATE

A sweet and fruity sparkling wine with notes of flowers, honey and candied orange peel.

### ANALYSIS

Alcohol: 7% TA: 5.5 g/L pH: 3.0-3.4 RS: 90 g/L

### BOTTLE SIZE
