

CINZANO SPARKLING ASTI

At the heart of the world's favorite spirited beverages you will find Cinzano, recognized by its signature blue and red label and 250-year tradition of excellence. With classic appeal and versatile brands, Cinzano's legacy is sure to continue for generations to come.

In 1757, CINZANO's two brothers, Giovanni Giacomo and Carlo Stefano Cinzano, Master Distillers, opened a small shop in Turin where a dream soon became a reality.

As their traditional Vermouth production rapidly increased, so did their reputation for quality. The Savoy monarchs beckoned the brothers' expertise to create a sparkling wine to emulate the popular French Champagne of the early 19th century. The result was the birth of Cinzano Sparkling Wines in 1850. The Cinzano range of sparkling wines includes both sweet and dry versions, each with their own unique characteristics.

PRODUCTION AREA

Country: Italy
Region: Piedmont
Appellation: Asti D.O.C.G.

GRAPE VARIETIES

100% Moscato

PRODUCTION TECHNIQUES

The sparkling wine is created with the Asti Method. Grapes are crushed and the juice is stored at a low temperature until it is needed. When the wine is ready to be made, the grape must is warmed and fermentation takes place in pressurized tanks. Carbon dioxide is allowed to escape until the alcohol level reaches 6% and at this point, the Carbon dioxide is retained - which creates the bubbles. The fermentation continues until the alcohol has reached 7-7.5% alcohol by volume and the pressure is close to 5 atmospheres. The fermentation is stopped by chill filtration and the wine is bottled for immediate release.

DESCRIPTION
