DESCRIPTION

Artistry, energy and ingenuity abound in this enticing sparkling rosé from entrepreneur Sandro Bottega and his family. The basic principles Sandro holds fundamental are simple: creativity, quality and flavor are inextricably linked; discovery is a never-ending process; and imaginative presentation is essential. The metallic bottle protects the wine from light, preserving the wine's clean and refreshing aromas. Distilleria Bottega was founded nearly 40 years ago by master distiller Aldo Bottega, Sandro Bottega's father. The company is headquartered in Castello Roganzuolo, about 30 miles from Venice, Italy.
