### DESCRIPTION

The Secret Reserve range of wines is created in pursuit of balance. For over a century an ancient mirror hanging in the Santa Rita Estate has kept the secrets of the dances held, toasts made and the moments shared. Like each and every mirror, each glass of Santa Rita Secret Reserve wine will be filled with stories that begin as soon as you share the bottle. Each wine is created by blending grape varieties and diverse expressions for the most balanced, delicious sip. This Cabernet Sauvignon displays a balance between the ripeness of the Andean foothills in Maipo and the fresh vibrancy of Maule.

### VINIFICATION

Vineyards in Chile's Maipo and Maule Valleys were selected for their fruit expression. Picked in April, grapes undergo a 3-day cold maceration before fermentation. Six months aging in French oak result in a refreshing, persistent wine.
