DESCRIPTION

Head to Head Red is a blend of Tuscany's very own Sangiovese grape, Syrah, and a hint of Merlot which combine to produce a soft, juicy wine with a ripe red fruit character and a touch of delicious sweetness that pairs perfectly with classic Italian dishes. With Head to Head Red, a new tradition is born. The dynamic brother-sister team of Giulia and Andrea Zingarelli will revisit the blend every year, fine-tuning the wine to reflect the very best blend for each vintage.
