### DESCRIPTION

Bauchant melds together a soft texture from the aged Cognac and the flavors of orange and honey to generate a flavor that starts and ends fruit forward.

The cognac base is a combination of precious reserves of fine quality VS and VSOP Cognac; while the orange flavor profile, a unique creation to the category, uses both bitter and sweet oranges. In order to achieve the perfect orange blossom flavor profile, Bauchaunt utilizes 3 different orange varieties -Andalusian, Mandarin, and Tangerine.
