DESCRIPTION

Estate-bottled Bottega Vinaia is the outcome of a vision by lead winemaker Anselmo Martini at the widely recognized Cavit winery. Starting in the early 1990s, Martini sought to explore the optimum potential of a handful of extraordinary vineyards in northern Italy Trentino region that, year after year, consistently produce the highest quality grapes. This select group of family-farmed vineyards is the source of Bottega Vinaia, an exceptional line of artisan wines that reflects the authentic qualities of specific vineyard sites in the Trentino terroir.
