THE PLAN RED BLEND

REGION South Eastern Australia

DESCRIPTION

The Plan was simple: to take outstanding Australian wine to the world and in doing so, become internationally recognized as a winery of great distinction. Set in 1880, four generations have weaved their passion and dedication into one of Australia's most dedicated winemaking families: The McGuigans.

Today, the McGuigan family still follows this master plan for hand-crafting exceptional, vibrant wines that are uniquely Australian. Rich and flavorful red wines have been an Australian favorite for many years. This Red Blend is smooth and approachable with spicy plum, cherry and blackberries...all part of The Plan.
