DESCRIPTION

Remy Pannier has been identified with premium quality Loire Valley wines since 1885, when it was founded by Francois Remy. In 1956, Remy Pannier decided to partner with Maison Ackerman, the pioneer of Loire sparkling wine production. Ackerman then passed the company down to his son, Louis Ackerman, who kept the tradition of fine winemaking in the family for generations. Over the years, Remy Pannier has developed strong working relationships with over 800 growers throughout the Loire Valley. Working closely with these affiliated growers, Remy Pannier provides advice on the latest viticultural practices to ensure production of the finest quality grapes. Remy Pannier has built three state-of-the-art wineries in the premier Loire Valley wine districts of Anjou, Touraine and the Pays Nantais where all their Loire Valley wines are vinified. Remy Pannier's attractive packaging reflects over a century of tradition and experience in Loire Valley winemaking.

VINIFICATION

Strictly controlled with a low yield (50-60 hl/ha). The grapes are harvested at optimal maturity and the bunches are immediately pressed, followed by a fermentation at a low temperature to conserve the aromas of tropical fruit. The juice is protected from oxygen, and does not undergo malo-lactic fermentation. Aged on fine lees to obtain a rounder texture and stocked in stainless steel vats until bottling to preserve the Chenin's freshness, minerality and purity. The wine is matured for 10 months.

COLOR

Pale yellow color with green tints.

NOSE

Fresh fruit, apples and peach.

PALATE

Well-structured wine. This balance is represented by good acidity, typical of Vouvray's limestone terroir, offset by residual sugars. Persistent white fleshed fruit notes reappear on the finish.
