

**COUNTRY** USA

**REGION** New York

### BACKGROUND

A distinct truth lies within each of us. Pursuing that truth is the sign of a Tommyrotter—one who breaks rank to chase what drives them. At Tommyrotter Distillery, our creative process is inspired by the Tommyrotters' Club, a society of rebellious, late 19th century artisans who sought their own path. Honoring their industrious spirit of back, hand and heart, Tommyrotter Distillery crafts award-winning spirits using small batch production techniques. Give it a try – the truth is inside.

Tommyrotter Napa Valley Heritance Cask Straight Bourbon Whiskey is an overproof four-grain bourbon consisting of Corn, Wheat, Rye and Malted Barley, finished in Heritance Cabernet Sauvignon casks from Rutherford, Napa Valley, California.

### DESCRIPTION

**COLOR:** Mahogany

**NOSE:** Luscious honey notes offer a balanced sweetness amongst darker dried fruit notes

**TASTE:** Layers of vanilla and sherry blend seamlessly with the delicate harmony of sweet cocoa and spice. A long finish laden with brandied cherry and soft herbal notes.

### TECHNICAL DATA

Tommyrotter Napa Valley Heritance Cask Straight Bourbon Whiskey is comprised of three separate, straight bourbons from Indiana, including a high corn bourbon, a high wheat bourbon and a high rye bourbon. A fine collection of bourbons, the final straight bourbon is finished in Taub Family Selections' Heritance Cabernet Sauvignon French oak barrels for 3 months. Once matured, the whiskey is non-chill filtered, then bottled at the Tommyrotter Distillery at 95 proof. The result is an overproof bourbon consisting of Corn, Wheat, Rye and Malted Barley, finished in Heritance Cabernet Sauvignon casks from Rutherford, Napa Valley, California.

### ANALYSIS

Alcohol: 47.5%

### SERVING SUGGESTIONS

Sip neat or in classic cocktails.

### BOTTLE SIZES

750 ml
