BACKGROUND

Many decades in the hospitality industry worldwide have cultivated the Vanderpump family's love for outstanding wine. Rosé became a passion of the Vanderpump family after living in the South of France for many years, and their affinity for the classic Provence style inspired them to create their very own. In 2017, Lisa, along with her daughter, Pandora Vanderpump Sabo and husband Jason Sabo, launched Vanderpump Rosé, a fresh and bright wine from the sun-drenched Côtes de Provence region in France. This wine conveys the sophisticated and elegant lifestyle synonymous with the Vanderpump name. They hope you will enjoy it as much as they do!
