BACKGROUND

Altemasi is a premium range of sparkling wines, the fruit of winemaking passion and traditions, which best express Trentino's well-deserved reputation as a top-quality wine and sparkling wine producing region. These unique wines, created using the Metodo Classico winemaking style in which the second fermentation is carried out in the bottle, are made either of 100% Chardonnay grapes (Millesimato, Brut) or blending with Pinot Noir (Gaal, Pas Dos and Rose) under the prestigious denomination TRENTO DOC. Grapes are grown at altitudes of 450m to 600m above sea level in Trentino (Valle dei Laghi and the hills around Trento). This area is ideal for vineyard cultivation due to its exceptional soil and climatic conditions. The Trento DOC appellation is renowned for producing some of the finest sparkling wines in Italy.
