DESCRIPTION

COLOR: Pale straw color with fine, delicate bubbles

NOSE: Delicate aromas of peach, yellow apples and candied citrus.

TASTE: Sweet yet refreshing with a lingering finish

VINIFICATION

Each variety is harvested and vinified separately, allowing the grapes to reach perfect ripeness. Following de-stemming, the must is macerated with the skins allowing it to retain maximum fragrance. The must is kept at a low temperature until fermentation, at which point the varieties are blended together. When the wine has reached an alcohol content of 8%, fermentation is interrupted by lowering temperature to approximately 32°F leaving a high level of natural residual sugar.
