DESCRIPTION

**COLOR:** A creamy white foam with persistent tiny bubbles. Bright rose color with ruby red reflections.

**NOSE:** Delicate aromas of red berries and cotton candy.

**TASTE:** Lusciously sweet with a primary red fruit flavors yet refreshing with a lingering finish.

VINIFICATION

Each variety is harvested and vinified separately, allowing the grapes to reach perfect ripeness. Following de-stemming, the must is macerated with the skins allowing it to retain maximum fragrance. The must is kept at a low temperature until fermentation, at which point the varieties are blended together. When the wine has reached an alcohol content of 8%, fermentation is interrupted by lowering temperature to approximately 32°F leaving a high level of natural residual sugar.
