SALENTEIN
VALLE DE UCO

Reserve Malbec

This may be a fraction of the price of Salentein's Primum Malbec (also recommended here), but it's just as good, in a completely different style. There's no spicy oak or tobacco-scented tannins boosting the fruit here; instead, it's just pure, fresh, floral malbec, purple and bright. Herbal notes add a cool spice, giving it a vibrant Andean feel.
